

Treatment Tracker

This resource provides you with a way to track your progress while you are taking REVATIO[®] (sildenafil). Use it to keep a log of your symptoms and activities, as well as important information from your doctor about your treatment. Make the most of your doctor visits by filling out this tool before your next appointment.

Questions for you

Answer the questions below before your next appointment. This will help provide your doctor with an update on how you are doing while taking REVATIO.

Have you been taking your REVATIO as prescribed? _____ Yes _____ No

How are you feeling? Describe any new symptoms. _____

Have you experienced any side effects? If yes, please describe. _____

Have you been prescribed any new medications or have you started taking over-the-counter supplements, including vitamins or herbal remedies? If yes, please list which ones. _____

Have you experienced any life or health changes? If yes, please describe. _____

Questions for your doctor

Fill in the answers with your health care professional during your next appointment. Save this information and refer to it when you have questions about your treatment plan for REVATIO.

Should I continue to take REVATIO? _____

What should I do if I forget to take my REVATIO? _____

If I start to experience side effects, what should I do? _____

If I continue to take REVATIO, what can I expect? _____

Should I make any changes to my lifestyle? (eg, diet or exercise) _____

NEXT APPOINTMENT: Date: ____ / ____ / ____ Time: ____ : ____ am/pm

Track your progress

The calendar below allows you to keep track of how you feel and your activity level while taking REVATIO[®] (sildenafil). Use it to write down:

- **How you are feeling:** Note how you are feeling each day, including any symptoms, side effects, changes or concerns you may have
- **Your activity:** Note any activity you did

At your next appointment, share this log with your doctor to provide a snapshot of your experience on REVATIO each month.
